

NOVA SCOTIA CHALLENGER BASEBALL

BASEBALL FOR CHILDREN WITH SPECIAL NEEDS

Nova Scotia Challenger Baseball is a program that provides an opportunity for children with special needs to participate in baseball at a level structured to their abilities.

Games are played in a fun, safe and non-competitive environment, and each child is partnered with a buddy who assists them during the game.

If you have a child who is interested in participating or if you are interested in being a buddy, please contact your local/closest community program coordinator.

If you are interested in starting a program in your own community, please contact Nova Scotia Challenger Baseball Coordinator – Randy Crouse at 902-867-6218
