

## **Baseball Nova Scotia**

### **Classification Tournaments**

Baseball Nova Scotia will begin promoting the use of association tournaments in determining the proper classification of teams for provincial play. Please read below for details regarding these tournaments:

- ❖ Associations wishing to have their tournament promoted as a “Classification Tournament” must contact Baseball Nova Scotia with this request. BNS will then:
  - Highlight the tournament on the BNS website
  - Send tournament details to members via email
  - Allow hosts to promote their tournament as a “BNS Classification Tournament”
- ❖ Hosts **must** in return provide Baseball Nova Scotia with full tournament results.
- ❖ These results will be used by the Board of Directors during the classification process of teams for provincial play
- ❖ Non-Bluenose teams must participate in **one** of these tournaments to gain exposure against Bluenose teams
