If one team is undefeated in the round robin, it shall be declared the champion and no championship game shall be played.

Should two teams finish the round robin with 3-1 records, these teams shall meet in a single game championship

Should the first place team have a 3-1 record and the second place team have a record of 2-2 in the round robin, such teams shall also play in a single game for the championship.

Should all three teams finish the round robin with 2-2 records, first and second place shall be determined using the tie breaking procedures and these two teams shall play a single game championship.

In all round robin games the home team will be decided by a coin flip.

In the championship game (if required) the home team will be the first place team after the round robin.
