

ATLANTIC SHOWCASE 2026

July 24 to 26 | Hosted by the 22U Renegades Baseball Society

ATLANTIC SHOWCASE

ABOUT THE ATLANTIC SHOWCASE

The **Atlantic Showcase** was first held in 2021 as a substitute for the cancelled national 22U championship.

After several years away, the event was revived by its original organizers to highlight 22U-caliber talent—players competing at colleges and universities across Canada and the United States.

The Showcase now features games at Beazley Field in Dartmouth, Mainland Common in Halifax, and Memorial Park in Kentville, offering elite competition close to home and celebrating Atlantic baseball.

22U RENEGADES BASEBALL SOCIETY

The **22U Renegades Baseball Society** is the organising committee behind the **Atlantic Showcase**, bringing experience from hosting the **2024 & 2025 Baseball Canada National Championships**.

The Society assists the 22U Renegades with regular season and **tournament game operations** and assists the **Dartmouth Senior** team with food and drink services.

Its volunteer leadership continues to strengthen the region's ability to host national-caliber tournaments, delivering a well-organized, community-driven baseball experience.

Honoring the Queen of Dartmouth

Gloria McCluskey served as Dartmouth's 34th and final mayor and remained one of the city's most dedicated public servants for over four decades. First elected in 1985, she led with conviction and compassion—later serving as councillor until her retirement in 2016.

Her leadership helped shape modern Dartmouth, from waterfront renewal to community advocacy. Known for her accessibility, candor, and tireless energy, Gloria earned the affectionate title “Queen of Dartmouth.”

A recipient of the Queen Elizabeth II Golden Jubilee Medal, she met Her Majesty during her mayoral term—a moment symbolic of her lifelong devotion to public service.

Her legacy continues through the people and projects she championed, reminding us that civic pride begins with care for one's community.
